Both tours develop in the heart of the Brenta Dolomites UNESCO World Heritage and give the chance to know the most hidden spots of this imposing mountain chain where the contrast between the grey Dolomia rocks and the green habitat of the bear is striking.

The Brenta Dolomites are part of the Adamello Brenta Natural Park and include six famous tourist destinations: Val Rendena with the villages of Pinzolo and Madonna di Campiglio, Valli Giudicarie, Terme di Comano, Altopiano della Paganella, Val di Non and Val di Sole.

Both DBT Country and Expert tours can be accessed from any of these valleys which work together on the Dolomiti di Brenta Trek project.
