

On foot on the tracks of the bear!

Dolomiti di Brenta Trek: a tour for the enthusiasts of great trekking! A circular itinerary around the Brenta mountain, the most western mountain range of the Dolomites Unesco World Heritage, and plunged in the heart of one of the most wild and genuine natural park of Italy: the Adamello Brenta Nature Park!

The "Dolomiti di Brenta Trek" addresses to different targets of walkers. The tour can be made **entirely** by the expert and trained walkers that like living the mountain up to 100%, staying overnight in the refuges or bivouac, **or only partially** by people who like walking softly..
